***Strategic Priority Areas Discussion Background Materials**

PRIORITY III: UNDERSTAND ALL OUR WORKFORCE INVESTMENTS ASSETS [Resource Alignment Committee]

Develop an asset map to allow for greater resource alignment that is connected to a dashboard of common indicators
Develop a CWI dashboard of common indicators [Strategic Initiatives Committee]

E-mail from Dawn:

PRIORITY I: INCREASE NET MIGRATION [Partnership Committee]

In our meeting we discussed number 1 and asked WEDC to join us. After their presentation and the announcement by the governor we felt that this area is covered. While we would definitely help if there is something we can do, the charge is being led by others and why waste money and time. We ask that the strategic Committee rethink this initiative.

Recommendation: Keep the Priority area, do the background research, help the WEDC deploy throughout the State. Coordinate pilot programs in high-demand areas (FoxConn / Gateway, Fox Valley, Milwaukee, Madison?)
